## **RULES OF ORDER**

Meetings of the Board of Education shall be conducted in accordance with the policies of the Board and, unless otherwise stipulated, in accordance with the latest revised edition of Robert's Rules of Order.

If the functioning of the Board shall become unclear to the members because of parliamentary procedure, the chairperson shall have the authority to rule on the procedure. The ruling of the chairperson shall prevail unless a member appeals the ruling. The motion to appeal a ruling requires a second and is debatable unless the pending question is not debatable. The Board shall vote on the question of sustaining the ruling of the chairperson. A tie vote upholds the ruling of the chairperson.
