## **VOTING METHOD**

### **Page 1 of 2**

All voting at any meeting shall be conducted by roll call. The names of the members shall be called alphabetically, and each member present shall orally vote "aye" or "no" upon each question unless excused from voting by the Board for good cause. Election of the President and Vice-President may be by secret ballot. All proposed actions of the Board of Education shall require a motion and a second to the motion, before the subject may be properly considered for action by the Board.

Unless otherwise specified in the policies of the Board, all motions receiving a majority "aye" vote of the Board members present at a duly called regular or special meeting are deemed passed.

Motions receiving a tie vote are deemed lost.

The Board will generally not render a decision on an item which does not appear in the printed agenda unless that item is accepted at the time the agenda is officially adopted.

If the Board acts upon an item which is not part of the adopted agenda, such motion shall require an absolute two-thirds majority "aye" vote of five for passage.

The president of the Board of Education, in addition to serving as chairperson, shall have the same rights as other members of the Board in voting, in introducing motions and resolutions and in discussion.
