POLICY ADOPTION

The Board of Education shall adopt all policies for the district which give direction to the Superintendent of schools and all other employees for the effective operation of the district.

The Superintendent of schools shall be responsible for recommending to the Board of Education all policies, except those which may originate from members of the Board of Education.

All proposed policies of the Board of Education shall be submitted in writing to the Board. A proposed policy may be adopted on first reading if all members of the Board are present, and if the motion for adoption is unanimous. If all members of the Board are not present, or if the proposal is approved by less than a unanimous vote, the policy shall be resubmitted to the Board for adoption on second reading at the next meeting of the Board of Education.

All policies adopted by the Board shall be posted to the district's internal and external Web sites promptly.
