SCHOOL SUPERINTENDENT

The Superintendent of Schools shall be the chief executive officer of the Board and shall be employed by contract on terms and conditions which are mutually agreeable. The Superintendent shall have the power to organize, reorganize and arrange the administration and supervisory staff, which in her/his judgment best serves the interests of the district, subject to the adopted policies of the Board of Education. S/he shall have the duty of the administration of instruction and business affairs of the district. S/he shall have the duty and responsibility for the selection, placement and transfer of personnel of the district, subject to final approval by the Board of Education.

In the event of the Superintendent's absence from the district, the Deputy Superintendent shall be delegated all power and authority as the Superintendent of Schools and is directed to carry out the responsibilities of the Superintendent.

In the case of absence or inability of the Superintendent and Deputy Superintendent, the president of the Board of Education shall appoint an administrator to act as a temporary Superintendent until such time as the Board can convene and appoint an acting Superintendent.
