CLOSING SCHOOLS

If the Board of Education believes that loss of enrollment or other factors may necessitate the closing of a school, appropriate meetings will be held with parents and staff in the affected facility(s) prior to the time a final decision is made. Staff members shall be fully briefed on their transfer rights and shall be assisted in obtaining assignments for which they are qualified.

CLOSING SCHOOLS

When a school is being considered for closure, the parents of students attending the school will be notified of the proposed action and alternative educational arrangements.

Human Resources shall inform the staff members involved of their rights to transfer to other locations.
