FLAG DISPLAYS

External Display

The principal of each school shall cause suitable flags of standard bunting, not less than three by five feet in size, of the United States and the state of Colorado, to be displayed upon a flagstaff at all times during the day while school is in session, except during inclement weather.

The chief administrator of any other district facility may cause suitable flags of standard bunting, not less than three by five feet in size, of the United States and the state of Colorado, to be displayed upon a flagstaff at all times during official working hours on official working days, except during inclement weather.

Internal Display

Principals are requested to provide a suitable United States flag for display in each regular classroom in the building.

Personal Display

In accordance with C.R.S. § 22-32-109(1)(ii), the district will ensure that the right of school district employees and students to display reasonably the flag of the United States shall not be infringed with respect to the display on an individual's person, or on an individual's personal property or property that is under the temporary control of an employee or a student.

Replacement of Flags

The principal or chief administrator of any district facility is requested to replace flags when they become soiled, frayed or torn.
