**RELATIONS WITH PARENT ORGANIZATIONS**  
**Parent, Teacher, Student Organizations**

The Board of Education recognizes the important contributions made by parent-teacher-student partnerships which develop continuous school and community cooperation. The Board further recognizes independent associations such as Parent Teacher Associations (PTA), Parent Teacher Student Associations (PTSA); and other relationships which may develop under different organizational patterns, such as Parent Teacher Organizations (PTO). The District shall give assistance whenever possible to such parent, teacher and student organizations.
